Signs, Posters & Trade Show Banners – call for information and a written estimate.

Estimates & Payment Policy

All estimates require a signature of approval. Upon approval we require a 30% deposit to begin work. For your convenience we accept checks or via *PayPal* Visa & MasterCard. The Blue Clear Media Group will provide you a proof in the form of a PDF file or as a web page on our server. Any adjustments you request will be made and another proof will be sent in the same manner. Three proofs are provided for every estimate. Additional changes and proofs require additional charges so please proof carefully and thoroughly the first two times.

Blue Clear Media tries to proof with more than two sets of eyes but, once the artwork is signed off by you, we cannot assume responsibility for mistakes in information, artwork and/or printing.

The balance due is required after sign-off of final proof unless special arrangements are made before hand. We will send original artwork on CD/DVD as soon as payment is received. Remember, all artwork produced for your project by the Blue Clear Media Group will become your proprietary property. Any database we create for your marketing project remains your proprietary information and we guarantee that your information will never be shared or used by anyone else without your express permission. Additional color proofs, archived record retrieval, etc. will have a nominal fee after delivery of final artwork.

* You provide the logo & copy or have opted to purchase one of our Logo Pac products.
